## Immigration Solutions for your business

Thank you for your interest in MYG Ltd, providing Immigration Solutions for your business.

My company supports businesses ranging from 5 to 200+ employees with many aspects of their immigration needs. This includes sponsorship licensing support, visa application services and with their overall HR requirements - ensuring they are always fully compliant with Immigration rules.

I launched My G Ltd in 2006. With clients now within the technology sector including IT firms, technology specialists and management consultancy firms, My G Ltd has been fully established for a decade now. I also undertake some private client work, primarily representing on visa applications for both entry clearance and leave to remain.

### Personalised Services

As a Sole Legal Practitioner and a small business My G Ltd is able to offer clients a truly personalised service which meets their needs. As the business owner I personally add value by providing each client with an initial complimentary consultation in which we discuss exactly what you are looking for in terms of immigration needs. With over 10 years of experience I am able to take cases forward with accountability and expertise, knowledge and insight.

Operating across the South West, I provide clients with regular information on the legal aspects of the industry and highlight their responsibilities through my website as well as sending out regular newsletters and informative circulars. Offering this advice is a great way to support clients and potential clients, and I ensure I am always up to date with the latest immigration news, regulations & information so that you can use my services with confidence.

### Giving you confidence in My G Ltd

Through investment in continuous professional development and subscribing to member updates from relevant sources including the Immigration Law Practitioner's Association of which My G Ltd is a member as well as the Office of the Immigration Services Commissioner which is my regulator, I ensure I am cognizant of all the latest facts, and professionally skilled in the advice I provide.

### Our Professional Services

Our full **Compliance HR Support Services** cover the following:
